

## Passionate Pleasures (Pleasures Series Book 5)

New York Times bestselling author Beatrice Small is turning on her fans again-by tuning them into their sexiest fantasies in The Channel. Some think librarians are stuffy, narrow-minded prudes-but that's not true of Kathryn St. John. She runs Egret Points library and is very involved in her community, even down to keeping them up with the latest trends. One major trend she turned the local ladies on to is the interactive network The Channel. It's there that Kathryn extends her occupational passions into the bedroom by playing out her favorite pieces of medieval English literature. Kathryn is quite satisfied with the princes, musketeers, and highwaymen her personas seduce in The Channel. But her seductions spill out into the real world and reach Timothy Blair, new to Egret Point. He wants to satiate both of their desires, but how can he possibly compete with fantasy lovers? That is unless he can create a wicked plot twist that even Kathryn couldn't think up in her wildest dreams...Watch the trailer for Passionate Pleasures here.
