

Bearthlete: Paranormal Bear Shifter Romance Standalone (Bearstone Park Book 3)

Hes an athlete, and a bear, and the only thing he wants to win now is the heart of his mate. Love hasnt been easy for Ryan Hart, the hottest snowboarder in the world. His brothers have found mates and settled down, but the perfect woman for him is still to be found. Sure, his friend Kylie may make the bear in him yearn for more than just a casual friendship, but he has more important things to do. That is, until a life-threatening injury brings him home to Bearstone Park- the last place he wants to be. Kylie is a woman used to falling down and getting back up. So even though the last Hart brother has made it clear shes not the one for him, and shes done being rejected by him, shes not going to let him wallow in his own self-pity. But when an innocent snowboard lesson becomes something more, something much hotter, the two will have to decide if theyre willing to put their rocky history behind them and give their hearts to each other before its too late.
