

Beyond the Gyre [Song of the Arkafina #4]

The island of Asaruthe has sheltered the Dawnmaid, Myriadne, for the past sixteen years, but Yr has fallen prey to a deadly plague, and it is clear she must leave soon. Katkin du Chesne and her daughter Poppy travel with Myriadne and help her free the Firaithi from Maggrais diabolical laboratory in the former Infirmerie on Isle St. Valery. Meanwhile, Gunnar Strong Arms twin sons, Jakob and Lut, are feuding with each other. When Jakob carelessly gaps shifts, he leaves a trail that Maggrais minions can follow back to Asaruthe. The death and havoc they wreak will send Lut on a mission of vengeance against Maggrai -- and his brother, Jakob. In the final battle, the Dawnmaid must find a way to converse with her enemies, the Angellus, before they attack the secret haven of the Firaithi with their unquenchable fire. What is it they have been defending through all the turns of the Gyre? The answer astonishes both Amaranthine and human alike...
