

Denouement (The Darkness Series) (Volume 3)

The past and present collide in the final book of the Darkness Series. Old enemies return and unlikely allies are formed when a serial arsonist targets the small town of Stockton Crossing, Louisiana. Working together with the surrounding towns of Durham Heights and Norton Springs, firefighter Lieutenant Weston Hunt is forced out of his reclusive tendencies to help apprehend the madman. When Aubrey Sinclair, the sexy librarian he's always had a thing for becomes the next target, they are thrown together in more ways than one. She needs his protection and he's powerless to deny her. With the chaos closing in around them, will they solve the puzzle before it's too late? Or is their destiny to go down in a fiery blaze? All bets are off and the body count is higher than ever in this explosive, maddening conclusion to the Darkness Series. The final act is upon us do you dare enter the darkness one last time? Warning: This is a dark romance novel not intended for readers under the age of 18 due to graphic violence and situations.
