

After surviving a brutal attack that claims the lives of those she loves, a young woman seeks revenge on a corrupt town. Going back home is never easy, but for Casey, it means returning to her corrupt hometown where she barely survived a brutal attack. Accompanied by two family friends, she seeks justice for the night that destroyed her life. Her physical scars are nothing compared to her emotional ones, forcing the local sheriff to believe that the town darling is back for revenge. As the conspiracy for her revenge appears to be leading up to the coveted town fair, the sheriff is determined to stop her from fulfilling her vengeful scheme...but guilt over his role on that fateful night continues to haunt him. Will his desperate need for Casey's forgiveness be his undoing? Or will Casey's desire for revenge destroy them both? Town Darling is a character driven thriller with a romantic overtone. This book contains some scenes of violence and some profanity.
