

Dragon Warrior (Dragon Clan Book 2)

Harith is a dragon-shifter with something to prove. As the son of a clan chieftain, he has an impressive family legacy to live up to and a driving need to make his father proud. When this leads to a rash confrontation with monstrous enemies, his life will be changed forever. Nyssa seems to be nothing more than an ordinary peasant woman, but appearances can be deceiving. In truth, she is a fugitive, hiding from a barbaric clan of dragon-shifters who live in the northern wastes. Can she maintain her disguise, and if not, will her clansmen come to claim their own? Harith and Nyssa cross paths in the winter forest. From the start, a fire is kindled between them, but their way is not clear. She lives with the constant fear of discovery, and he is betrothed to another. Can their love win through these obstacles, and what if the northern dragons attack? Will Harith be able to protect his home and loved ones?

Dragon Warrior has 61 ratings and 15 reviews. Debbie said: I was given this book, to review, by the author, and I thank Ms Green for really helEditorial Reviews. From the Author.
