

The Mermaids Gift (Sirens Gate Book 1)

Nike Augustine isn't your average girl next door. She's a spunky siren but, thanks to a memory loss, doesn't know it yet. By day, she runs a souvenir shop on Dauphin Island off the coast of Alabama, but a chance encounter opens her eyes to the supernatural creatures that call the island home, including a mermaid, a fallen goddess and a host of other beings. When an old enemy appears and attempts to breach the Sirens Gate, Nike and her friends must take to the water to prevent the resurrection of a long-dead relative but the cost might be too high. To make matters worse, Nike has to choose between longtime crush, Officer Cruise Castille and Ramara, a handsome supe who has proven he's willing to lose everything including his powers for the woman he loves.
