

How to Be a Mermaid: A Falling in Deep Collection Novella

All Tara ever wanted was to be a mermaid. So she takes a year off between high school and college to don a fake tail and tour aquariums across the country in a professional mermaid troupe. Everything's great until she meets a gorgeous real-life merman named Finn. Suddenly, what she thought was a dream come true turns out to be a nightmare - she's turning into a mermaid herself. For real. Yet when she returns to the sea to seek out Finn and reverse her transformation, she finds herself in the middle of an impending war between the land and sea. Tara may have always wanted to be a mermaid, but now it's sink or swim. In order to survive, she has to learn how to be one, too.
