

The ORIGINAL Rebel Diet

FREEING YOU FROM DIET HELL
From UK TV's consultant to the Trisha Show,
Wife Swap and BBC Radio and Sky contributor

Emma James MABNLP MATLTA MABH Dip FTST
Leader in revolutionising weight management
and rebel against the diet industry.

At last, the revised version of the ORIGINAL Rebel Diet. A real diet and weight management for real people in the real world. This is the only diet that forces you to cheat! Claim your right to be you and break free from diet prison and rebel. Imagine a diet system which not only makes you cheat, a one which changes your perspective, regains your control and puts you in charge of your own body, the Rebel Diet is the answer! This is more than just a diet, the Rebel Diet addresses those states of mind which affect your metabolism, shows you how to change them and covers complex areas like comfort eating and body image problems. The Rebel Diet welcomes you to a brand new world and a brand new you where this revolutionary new diet system deals with you as a whole person. Emma James says: Its not a mystery, not the Holy Grail, and not some secret to which only a few people hold the key - regardless of the gurus charging vast amounts per hour tell you. Once you understand the principles and get to know your body, dieting is straight forward. New Rebel Diet book the diet that forces you to cheat! After quite a wait, the revised book is finally released. Rebel Diet, the anti diet industry guide to freedom from diet hell with the practical guide to weight, life and the relationship between our mental state and the effect on dieting, metabolism and weight loss and how to change plus a diet guide section is out to change the way you think about diet, you and the way your body works. Rebel Diet , the new revised version of the book by Emma James MABNLP, MATLTA, MABH, Dip FTST is out on sale in the UK and worldwide bringing the revolutionary approach of mental state and how it affects metabolic rate and your weight management to a real time solution. The book is a rebellion against the diet industry and a direct insight into weight management through mental state change,

lifestyle, diet structure and most of all not having to diet all the time! It is freedom from diet hell. It also explains the fads, myths and hype used by so many unscrupulous companies cashing into the whole diet industry waiting to get you hooked into their system and continue to take your money. The author, Emma James, controversial therapist, NLP and Hypnosis Trainer and Master Practitioner is also a long time competitive athlete in powerlifting. She holds 3 World, 13 European and 20 British titles as well as world records in power lifting and has personally fought with her weight and coached many clients privately and in sport to help them achieve success in their field and their look. The rebellion is purely the fact that you don't have to diet 7 days a week you can incorporate the diet into your lifestyle and time when and if you need to. You also have your Rebel Diet day, which is a major cheat day and also has a few other stipulations with it like, have fun, do something for you, do something you have never done before, but of most all..REBEL! What is simple is dieting what is not simple is dealing with the rest of life, mental motivation, self confidence and image problems which also help or hinder your efforts in being the person you want to be. If you don't feel like changing and don't have the motivation to do it for you then no diet or pill on earth will work. Welcome to the world of dealing with the whole person as well as an effective and revolutionary new diet system and attitude. For anyone wanting a fresh new way to rebel against the whole diet industry and take their weight management into their own hands this will be a liberating system.

A rebellion against NHS guidelines has seen thousands of type 2 diabetes patients control their condition with a diet low in carbohydrates. *The Rebel Diet: Break the Rules, Lose the Weight* Paperback January 19, 2010. For those accustomed to thinking of diets as deprivation, former gymnast and doctor Melissa Hershberg has developed a food plan that breaks all the cardinal rules of dieting.
