

Fury of Desire (Dragonfury Series)

Of all of the warriors in the Nightfury pack, none is more complicated or more damaged than Wick. Emotionally scarred from a childhood of slavery and torture, Wick can barely stand the touch of another person. But all bets are off when he meets newcomer J.J. Solares. When J.J. is unjustly imprisoned, Wick agrees to help rescue and return her to the family fold. But Wick lives a life of self-imposed isolation, even among his beloved brothers in arms. Venturing into the world to seek justice for J.J. may be more than he can bear. Meanwhile J.J. fights for her life at the hands of brutal prison guard Griggs. When she winds up in the hospital she sees no hope for things getting better. But events take a dramatic turn when she and Wick encounter each other. The connection they share is unlike anything either has felt before. J.J. believes she is hallucinating when she sees the majestic dark-haired god sweep in to save her, and Wick is shaken to his core by the attraction he feels for J.J. For the first time in his life, he finds himself wanting to get close to a woman. After J.J.'s rescue, the two retire to Wick's mountain home, where J.J. recovers from physical injury while attempting to help Wick recover from his emotional ones. But neither is out of harm's way yet. And when they find themselves in the center of a Dragonkind war, they are forced to make the ultimate choice between surrendering to their fears or each other's love.
