

# My Alphas: Part Five (Menage BBW Paranormal Werewolf Romance)

One of the Alphas is missing, possibly dead and the other is wounded... and Cass may be pregnant to one of them. A mysterious werewolf stalks the territory, dismembering his enemies and a human group intent on genocide makes their final move with the aid of their werewolf allies. Can Cass hold the Arctos pack together and accept her destiny as Pack Mate? This is the final book in a Werewolf BBW serial, approximately 60 pages each. It is not a standalone. This book is intended for readers 18+ who are comfortable with Alpha werewolves, menage romance and some explicit scenes.
