

## Jase (Kings of Korruption MC Book 3)

Ellen My life is far from perfect, but Im OK with that. Ive worked hard to get to where I am. I have a cute little house, a job that fulfills me, and a little boy that I love more than life itself. I pride myself on being a strong, independent woman, and letting a man fix my problems for me just isnt the way I work. I had Jase pegged from the second I laid eyes on him. The mans a player and I have no intentions of being played. Been there, done that. I dont care that he has a killer smile and an ass I could happily spend all day bouncing quarters off of. His interest is kind of flattering in the beginning and then its not.

Jase People say I dont take anything in life seriously. Theyre probably right. Ive seen the shit life can throw at you and I refuse to let it touch me. I live free I have fun. People say I dont respect women. Well, theyre wrong about that. I love women almost as much as they love me. I love the way they smell, the way they taste, and I especially love they way they feel when I get them under me. Id met Ellen months ago, and no matter what I do, I cant seem to get her out of my head. Shes gorgeous, funny and has an incredible ass. The only problem is that Ive never had to work so hard to get a woman into my bed but well get there. Ill make sure of it. She doesnt know it yet, but my brand of playing is just what she needs.
