

Kissing Frogs

Another laugh-out-loud best selling novel from Rich Amooi! Summer is finally here and Geography teacher Sara Larson has exactly one month to find the perfect date for the wedding of a high school rival. The odds seem stacked against her, but the last thing she wants is to sit at the kids table again. Or even worse, the singles table. While trudging through an assortment of certified losers, Sara fights her attraction towards Ian, the irresistible guy next door. Art teacher Ian McBride has a dream of opening his own gallery, but for now he's focused on sculpting a gift for his grandparents' fiftieth anniversary and enjoying a relaxing summer. However, Ian is blind-sided when crazy, beautiful Sara and her giant dog move in next door and rock his world. Too bad she wants nothing to do with him. How can Sara avoid the attraction that sizzles between them and stick to her rule of not dating neighbors? As far as Ians concerned, the prince Sara is looking for is right under her nose. And one kiss just might change everything. **KISSING FROGS** is a fun, fast-paced romantic comedy guaranteed to put a smile on your face. Let the fun begin!
