

To escape her father's debt to a loan shark, Dizzy seeks refuge in the upcoming Grab. She'd rather belong to one of those terrifying sky warriors from the battleship Valiant than to the sleazy criminal who wants her as his plaything. The years of constant war haven't been kind to highly decorated sniper Venom. Only the promise of earning a wife kept him going through deadly battles. Catching and collaring Dizzy fills him with incredible hope. Finally he has a woman of his own, a mate to love—and bind and adorn with his ropes. After a brazen Splinter attack, the Shadow Force uncovers secrets about Dizzy's late mother that entangle her in a web of deceit. To save Venom, her father and an operative named Terror, Dizzy digs deep and risks it all. Venom refuses to stand idly by while Dizzy's haunted past threatens the future they're trying to build. He finally has a reason for living—and he's not giving her up.
