

Losing Faith: Contemporary Romance Novel (Seth & Trista Book 1)

Seth Storm, a once famous musician from Nashville, is now nothing more than a fallen star. After climbing the music charts and making his dreams come true, his life took a turn that he'd never expected, causing him to lose it all. Now Seth is determined to do whatever it takes to turn his life around, even if that includes doing the one thing he swore he'd never do. After giving up music and the career he spent much of his life building, Seth embarks on a journey to get back what he cherishes the most: his daughter, Faith. Trista Tilman, a single mother, finds shelter on the road as she and her daughter try to escape her abusive fiancé, Randall Tuck. As Trista struggles to repair her damaged relationship with her daughter, Tuck begins to close in on them. Along the way, Seth and Trista encounter a storm that threatens their one chance at getting their lives back. Forced to travel together, they discover that success lies not just at the hands of fate but also within each other, two unlikely travelers fighting to survive not only the storm but also the demons of their past. As the road takes them deeper and deeper into the storm, Seth and Trista find themselves face-to-face with their worst fears. Can love help them pick up the broken pieces of their lives? *Losing Faith* is the first book in the Seth & Trista series. It precedes *The Greatest Gift* and *The Final Encore*.
