DISCLAIMER: This book was originally published in September 2013 with the title Sand & Clay by Sarah Robinson. Since then it has been re-edited, a few short scenes here and there added in, and given a new title and a new cover in order to improve the novel. This is the final product of that revision process so there have been a lot of changes, but the story itself is relatively the same. This novel is meant for 18+ years old.
