

Nice Girls Dont Have Fangs (Jane Jameson series Book 1)

Maybe it was the Shenanigans gift certificate that put her over the edge. When childrens librarian and self-professed nice girl Jane Jameson is fired by her beastly boss and handed twenty-five dollars in potato skins instead of a severance check, she goes on a bender thats sure to become Half Moon Hollow legend. On her way home, shes mistaken for a deer, shot, and left for dead. And thanks to the mysterious stranger she met while chugging neon-colored cocktails, she wakes up with a decidedly unladylike thirst for blood. Jane is now the latest recipient of a gift basket from the Newly Undead Welcoming Committee, and her life-after-lifestyle is taking some getting used to. Her recently deceased favorite aunt is now her ghostly roommate. She has to fake breathing and endure daytime hours to avoid coming out of the coffin to her family. Shes forced to forgo her favorite down-home Southern cooking for bags of O negative. Her relationship with her sexy, mercurial vampire sire keeps running hot and cold. And if all that wasnt enough, it looks like someone in Half Moon Hollow is trying to frame her for a series of vampire murders. Whats a nice undead girl to do?

This series is completed but there is a spinoff: Half-Moon Hollow. Book 1.
