

Ninas Dilemma: The Nina Chronicles, Book 1

Nina Wallace is your typical American woman. A divorced mother of two, she draws strength from her faith in God. Fellowship with her church family keeps loneliness at bay. If, sometimes in the deepest dark of night, she wished a pair of strong, male arms held her tight, she suppresses the desire. Nina has been there, done that, and still bore the scars from her last disastrous relationship. As a result, she's more than content to wait on God to send love her way. Suddenly, Nina has three men vying for her attention: Roberto, Ronald, and Timothy. Which one will Nina choose? More importantly, which man is God's choice for her? Faith, like love, is a matter of the heart. But what's a woman to do when she no longer trusts her heart?
