

## Nether: Hidden Book Five

Molly Brooks has faced every foe thrown at her: power-hungry gods, hateful spirits, plotting demons, and everything in between. She has been betrayed. Lied to. Tortured. Possessed. And she has fought her way back from the brink, time and time again. It all leads up to this. Two Titans, formerly imprisoned by Molly's family, now walk the mortal realm. The vengeful ancient, Nether, finally freed from her prison, longs for revenge against those who decided her fate. And this time, Molly just might not be enough to fight them all, despite having everything to lose. This is the final installment in the Hidden urban fantasy series.
