

Seagrass Pier

In a secluded corner of Hope Beach, one woman must decipher a strangers memories...before they cost her everything. Elin Summerall was one of the lucky ones. Not only did she get a heart transplant, but the donor was a perfect fit. A miraculously perfect fit. But when Elin begins having violent flashbacks - and vivid dreams of being strangled - she realizes that she has been the recipient of more than just a new heart. Elin is remembering her donors murder. Her strange affliction has attracted some unwanted attention: from the press, from the authorities - and from the killer himself. Now, living alone with her young daughter and aging mother, Elin is being stalked - by a man shes only met in her nightmares. The police are dubious of her story, but one off-duty FBI agent is eager to help her: Agent Marc Everton, the father of Elins daughter. Of course, he doesnt know about that. Yet. Now, in a remote cottage on Hope Island, Elin and Marc must probe the secrets buried in her borrowed heart. And theres no time to waste. One man is desperate to silence her - before she remembers too much.
