A Mafia Romance Bella is a serial series. 1 new book in this serial will release every month through 2016. Taking over this family isnt going to be easy. There are a lot of things that have been left undealt with. A lot of people need reminding of the man I am; what I can do to them, what I can have done to them. I control the cards. I determine what happens. The outcome is in my hands. I am the king. Weakness isnt a possibility. Im not weak. I dont cry or tell a sob story. Why would I? I wanted to be like my father; strong, willful, powerful. I wanted to make him proud. Jax will keep me as his bride and I will fight back. My words will be silent, my actions controlled. And when he least expects it -when I least expect it- I will do the unthinkable, unimaginable, in my world.
