

Shadows Beneath the Falling Snow (An Elven King Prequel Story)

When an unprecedented visit from the Supreme King, Kirion, disrupts elven princess Miriels usual plans during the winter solstice, its the least of her worries when a single touch by the powerful king could reveal a secret she and her family have desperately kept for over a hundred years. However, King Kirion has a few revelations of his own that could also change Miriels life forever. A holiday tale set two thousand years before the events chronicled in Claimed by the Elven King. Originally published in the Kiss of Christmas MagicBox Set. Contains strong sexual content and is intended for readers 18+.
