

## Only You: An Angel Ridge Novel

A charming romance about the lives and loves of people in a small Tennessee town. In the tradition of Debbie Macomber. Hey, y'all. Dixie Ferguson here. I run Fergusons Diner in Angel Ridge, Tennessee. Population three hundred forty-five. Its a picturesque town in the valley of the Little Tennessee River, established in 1785. In the early days, its first families--the McKays, the Wallaces, the Houstons, the Joneses, and, of course, the Craigs--staked their claims on hundreds of acres of the richest bottom land anyone had ever seen. After all the years Ive spent behind the counter at Fergusons, I could probably tell y'all a story about near everyone in town. But we only have so much time, so Ill narrow it down to just two for now. This is a story about coming home. Its also a story about acceptin folks for who they are. You could say its a story about Josie Allen, a librarian, and Cole Craig, a handyman, but I say its a story about finding love where youd least expect to.
