

The Intellectual Devotional: Modern Culture

Revive your mind, complete your education, and roam confidently with the cultured class.... This daily digest of intellectual challenge and learning will arouse curiosity, refresh knowledge, expand horizons, and keep the mind sharp. Millions of Americans keep bedside books of prayer and meditative reflection - collections of daily passages to stimulate spiritual thought and advancement. The Intellectual Devotional is a secular audio version of the same - a collection of 365 short lessons that will inspire and invigorate the listener every day of the year. Each daily digest of wisdom is drawn from one of seven fields of knowledge: history, literature, philosophy, mathematics and science, religion, fine arts, and music. Impress your friends by explaining Platos Cave Allegory, pepper your cocktail party conversation with opera terms, and unlock the mystery of how batteries work. Daily listenings range from important passages in literature to basic principles of physics, from pivotal events in history to images of famous paintings with accompanying analysis. The books goal is to refresh knowledge weve forgotten, make new discoveries, and exercise modes of thinking that are ordinarily neglected once our school days are behind us. Offering an escape from the daily grind to contemplate higher things, The Intellectual Devotional is a great way to awaken in the morning or to revitalize ones mind before retiring in the evening.
