

## The Middle Aisle (Volume 2)

A Sequel to Lancaster House Zoe Grayson is back in Lancaster House, ordered to bed rest for the duration of her unexpected pregnancy. Doctor Wade Channing, her overzealous psychiatrist, is living in Lancaster House, taking care of her, waiting on her, and tending to her every need. It seems to be the perfect arrangement. There's just one catch. She has to tell him her story--everything that has happened in her life since the moment she escaped from Serenity Hills. It's been quite an adventure to include renovating another home and a walk down the middle aisle. But, that's all over now. Nothing is real. It never was. How did she end up in this miserable situation?
