

The Driftless Area

[Read by Bronson Pinchot] From the award-winning author of *The End of Vandalism* comes *The Driftless Area*, a wry and sophisticated heist drama. Set in the rugged region of the Midwest that gives the novel its title, *The Driftless Area* is the story of Pierre Hunter, a young bartender with unfailing optimism, a fondness for coin tricks, and an uncanny capacity for finding trouble. When he falls in love with the mysterious and isolated Stella Rosmarin, Pierre becomes the central player in a revenge drama he must unravel and bring to its shocking conclusion. Along the way he will liberate seventy-seven thousand dollars from a murderous thief, summon the resources that have eluded him all his life, and come to question the very meaning of chance and mortality. Nothing is as it seems in *The Driftless Area* -- identities shift, violent secrets lie in wait, the future can cause the past, and love becomes a mission that can take you beyond this world. In its tender, cool irony, *The Driftless Area* recalls the best of neo-noir, and its cast of bona fide small-town eccentrics adrift in the American Midwest make for a clever and deeply pleasurable read from one of our most beloved authors.

The term Driftless Area, geographically, refers to a Midwestern region with a distinctive terrain. Speaking of Zachary Slusers *The Driftless* Pierre (Anton Yelchin) returns to his hometown after the death of his parents and falls under the spell of the enchanting, mysterious Stella (Zoey Deschanel). - 2 min - Uploaded by Sony Pictures Entertainment On DVD and Digital April 26!
