

Stepbrother Breaks Bad: The Complete Series

You know that one bad thing you shouldn't do? For me, it's my stepbrother. I've always been good with numbers. It's why my father relies on me to cook the books in his crooked operation here in this crooked town. But even I could never make my life add up after my stepbrother left us all behind to become a lawman and broke my heart in the process. When Colton Marbray left me, I was a smitten sixteen-year-old and he was a sexy straight-shooter on the verge of becoming a man. But now that he's back in town, sexier and surlier than ever and with a badge to boot, I don't know how I can fight this forbidden temptation. The memories are too powerful; the love is too deep. The truth is, I don't know if Colt is back for me or if he's just using me to put my father in jail, but either way, I know, deep down, that I'm his for the taking.
