After taking a full-time office job, my past has come back to haunt me, my love life is nonexistent, and I miss sex with the lying cheats who used to be my clients. The trouble is, the closest thing to a man in my life is Ben Lockwood. After pushing me away, that jerk has the nerve to ask a favor so why is he so hard to resist? Ben: Working my way up from cameraman to vice president of an adult media company has been ... interesting. To focus on my career, I swear off all distractions especially sex and turn to Grace Nolan, the most poised and polished woman I know, for help cleaning up.
