

## Wicked Ways (The Colony)

The Greatest Terrors Elizabeth Gaines Ellis is an ordinary suburban wife and mother. That's what she tells herself as she flits between her realtor job, yoga class, and caring for her daughter, Chloe. But for months now, Elizabeth has worried that she's far from normal. . . . that she's somehow the cause of a series of brutal, horrible deaths. Are The Ones Her mean-spirited boss. A bullying traffic cop. Her cheating husband. Elizabeth had reason to be angry with them all. She didn't mean for them to die. No one will take her fears seriously--except the private investigator prying into her past. . . . Too Close To See The more scared and angry Elizabeth becomes, the higher the death toll grows. But those who wrong her aren't the only ones in danger. Because others have secrets too, and a relentless urge to kill without mercy or remorse. . . . Praise for Something Wicked Superb. . . . a masterpiece of romantic suspense with enough twists and turns to keep the reader eagerly anticipating the breathtaking conclusion. --Publishers Weekly, Starred Review
