

## Wild Blue Yonder (The Ceruleans: Book 3)

About the Book IN A WARPED HEAVEN, SHE MUST CHOOSE HER FATE: OBEDIENCE OR REBELLION

The Ceruleans: mere mortals infused with power over life and death. Five books, one question: If the might of the heavens were in your hands, would you be sinner or saint? When Scarlett Blake chose life-after-death as a Cerulean, she expected to grieve for all she left behind: her boyfriend, her best friend, her mother, her home. But at least Cerulea, her heaven, would be well, heavenly. Right? Wrong. The world in which Scarlett awakens is very far from her idea of a utopia. Picturesque, sure, and serene. But there can be no paradise within the unforgiving walls of a prison, be they of cold, hard stone or beautifully blue water. Now Scarlett faces her hardest decision yet: be a good, dutiful Cerulean, or be true to herself and fight for freedom. And if she can find a way to escape, what then? Can she finally reunite with her lost sister? Can she save Sienna from the murderous Fallen? Can she evade her destiny with the Ceruleans? Can Scarlett Blake ever reclaim her life-before-death or must she let go of all she loves?
